

INJUNCTION SUIT GOES TO THE COURT OF CIVIL APPEALS

EXERCISES FOR GRADUATES WILL BE HELD THURSDAY

Dr. Henry Lewis Smith To Make Graduation Talk in Special Services at First M. E. Church

When the Vernon High School graduates receive their diplomas at the First Methodist Church next Thursday evening at 8 o'clock one of the most interesting programs in history of the schools will be carried out at the graduation exercises. The main feature of the program will be an address by Dr. Henry Lewis Smith, president of Washington and Lee University, who is one of the best known educators in the nation and an orator of wide reputation.

The program for the graduation exercises follows: Opening chorus by graduates; Invocation by Rev. Lewis P. Kopp of the Central Christian church, Salitatory, Miss Ruth Walker; Vocal Solo, Miss Opal Williams; Reading, Miss Hazel Vaughn; Valedictory, A. C. Boger, Jr.; Chorus, graduates; Address to graduates by Dr. Henry Lewis Smith, president of Washington and Lee University; Awarding of diplomas by J. O. Rouse, president of school board; Chorus by graduates; benediction by Rev. E. L. Moore of First Presbyterian Church.

The senior class at the high school is composed of the following prospective graduates: Alvane Arnold, Allene Ashenbush, Ola Austin, Everett Adams, Lillian Brumblow, Estelle Frisio, Clarice Brown, Lorain Brunson, Willie Carpenter, Odessa Copeland, Gayman Cato, Lillian Garner, Mildred Hansard, Juanita Hill, Janie Mann, Lester Milholland, Clarence Pearson, Claud Roberts, Cecil White, Eunice Davis, Maurine Davis, Paul Wilhelm, Leil Buchanan, Leslie King, Ann Thurston, A. C. Boger, Jr., Frank Parr, Chester Robinson, Harlow Rouse, Marguerite Thomas, Velma Thomas, Ruth Walker, Hazel Vaughn, Mae Swim, Opal Williams, Edith Wheatley, Arnie Lowe, Helen Fakke, William Bagley and Hardy Taylor.

Special Services for School Graduates To Be Held Next Sunday

There will be special services for the graduates of the Vernon High school at the First Methodist church Sunday morning at 11 o'clock and all churches of the city will unite in the service. The sermon to the graduates will be preached by Dr. Robert E. Dickenson, pastor of the Methodist church, and there will be a special music program.

Special seats have been reserved for members of the graduating class and their parents as well as members of the faculty. Invited guests will have seats in the middle tier with the graduates, faculty and members of the families of graduates.

PROGRAM AT PICTORIUM WILL BE DOUBLE FEATURE

Besides Robin Hood which will run at the Pictorium today and tomorrow, the regular "Buffalo Bill" Chapter will be run and a Harold Lloyd comedy entitled "Spot Money" will be put on.

A special matinee will be offered at 8 o'clock Saturday morning in order that school children and others who can not go in the afternoon or night can see the show.

Weaver Returns From Lufkin

Hulen Weaver, who has been at his home at Lufkin recovering from injuries received two months ago when an automobile in which he was riding collided with a light pole, has returned and resumed work with the McCleary Grocery Company.

L. E. Piper and C. A. Allingham went to the South Electra oil field Tuesday.

C. OF C. WEEK NOW POSTPONED UNTIL SOME TIME IN JUNE

Large Delegation Going to San Angelo Makes Action Necessary to Insure Success

Because of the West Texas Chamber of Commerce Convention meeting in San Angelo during the week of May 21 when Chamber of Commerce week had been planned in Vernon, the latter event has been postponed until some time in June. The date will be named later.

A large number of Vernon business men have signed up to go to the big convention at San Angelo and according to reports today there may be more than one Pullman car load to go there. As the time approaches for the affair business men here apparently are becoming more enthusiastic over the prospects of attending the convention at which practically every town larger than a village and even many villages will be represented by large delegations.

Capt. C. S. Nussbaum, who is to help conduct Chamber of Commerce week here, was in touch with officials of the organization yesterday and said it will be entirely satisfactory to him to postpone the meeting. Captain Nussbaum is known all over the United States as a community organizer. He is, in fact, said to be a community expert and has been able in many instances to help organize communities so that they have gone forward at a rapid rate of progress by the citizenship as a whole working for the interest of the entire community.

The program for Chamber of Commerce week is to include a banquet, several special meetings which will be featured by speaking and musical programs and a number of speakings at various rural communities.

W. C. T. U. LAUNCHES CAMPAIGN FOR INCREASED MEMBERSHIP

The W. C. T. U. launched a campaign for new members at a meeting yesterday afternoon at the library. Mrs. Roba Watts, president, who has been absent for some months, presided and gave an interesting account of W. C. T. U. meetings attended while in California.

The organization decided to order the W. C. T. U. emblem, the bow of white ribbon from Jerusalem, Palestine. The local union has furnished the rest room at the court house with 25,000 pages of literature and also takes care of the rooms.

M. H. Wolfe Jumps in Time To Save Life as Fast Train Comes

M. H. Wolfe, Wichita Falls Merchant, saved his life but lost his car Monday afternoon at the Denver crossing near Tolbert when he got out of the car just in time before it was struck by the North bound Denver passenger train. The car was a complete wreck and was carried 100 yards by the train, the cowcatcher having been broken as well as the car being wrecked.

Mr. Wolfe was going to Chillicothe when he went to cross the track on the high grade and his engine died. He tried to start it again when he saw the passenger train coming. He jumped from the car into the clear before the impact.

The wrecked Dodge car was brought into McFall Brothers shop here where it is being held for instructions. In the meantime Mr. Wolfe has bought a new Dodge.

Local Firm Gets Contract

The Hampton Plumbing company of Vernon was awarded the contract for furnishing the plumbing and heating for the new Electra High school, Tuesday. Work will begin at once on the structure so that it may be finished by the time school opens in September.

THESE "BEAVERS" WOULD BE POPULAR IN LONDON.

Whiskers' Champions

London's favorite pastime now is to play "beaver," the idea being for two contestants to cry "Beaver!" every time they see a man with whiskers. The player who sees the most whiskered men in a day wins the wager. These two San Francisco men, who claim the world's "whiskers' championship," are original Forty-niners, and between them they have more than 28 feet of whiskers. The man at the left has a beard that measures 11 feet 3 inches, while that of the man at the right is 17 feet long.

WATTS OFFERS TO HELP LOCAL POST

WILL ALLOW LEGION TO HAVE QUARTERS IN ARMORY WITHOUT COST

Monday, May 21, members of the Vernon Post, American Legion, will meet to decide whether they will accept the offer of Capt. Clyde Watts to use the Armory on Main street as a Legion hall. At a recent meeting, after thoroughly discussing matters, members of the Legion decided to give up their quarters in the Lutz building because of the strained financial condition of the post.

A committee of Legion members was appointed to look for office space but Captain Watts on learning that the Legion needs quarters and is short on funds, said the post can use the armory without cost.

Post Commander Ed. M. Haney will put the matter of accepting Captain Watts' offer up to the membership and has requested that every member be present at 8 o'clock Monday night, May 21 to vote on the proposition.

Negro Arrested When He Presents Check Said To Be Forged

When I. T. Jones, negro, appeared at the Herring National Bank Tuesday with a check for \$10.50 with the name of a negro woman signed to it and the signature did not look real, he was detained while Mrs. Fred Schmette got in touch with Deputy Marshal Wall.

Jones is now in the county jail charged with an attempt to pass a forged check.

Mrs. Besselman Dies

Mrs. Florence Besselman, daughter of Mr. and Mrs. F. A. Hayhurst of Odell, died at her home in Dimmitt, Castro County, Tuesday night. Mr. Hayhurst received word in time to be at the bedside of his daughter when she died but Mrs. Hayhurst was confined to her bed seriously ill and could not go.

BOOSTERS PREPARE FOR ANGELO TRIP

VERNON MAY SEND TWO SPECIAL CAR LOADS INSTEAD OF ONE AS PLANNED

Instead of just one Pullman car load of Vernon boosters, indications are now that two special cars may be filled from here to attend the West Texas Chamber of Commerce meeting in San Angelo. Eighteen firms and individuals had signed up Tuesday morning, the list being published in The Record, and now a number of additional names have been put on the list with other business firms indicating they will more than likely send representatives.

The following firms or individuals have signed up in the last few days to go to the San Angelo convention: T. J. Youngblood, North Texas Hardware Company, Dr. M. J. Moore, Aubrey Lockett, Empire Laundry, Ford Motor Company, Service Auto Supply Co., Arthur Vernon, Farmer's State Bank, Richard Taylor, J. V. Owens, Parker-Donges, Allen and Davis, J. C. Hicknell, W. T. Starr and Dixon Dry Goods Company.

KONDA SCHOOL CLOSES WITH SPECIAL PROGRAM

The Konda School has closed and there were special exercises to mark the closing. The school is in District 22 of Wilbarger county and is in a thriving community.

Misses Marguerite Baper and Amy Welch graduated and received diplomas which were presented by Mrs. Minnie B. Clark, the principal.

Besides the graduation exercises a playlet was presented and some pretty drills were given by the pupils under the direction of Mrs. Clark and Miss Gladys Warren, one of the teachers. The entertainment was given in the open air and was attended by about 250 patrons of the school.

Miss Andrews Recovers

Miss Bertie Andrews of Wichita Falls, who has been in Dallas for medical treatment for some time, came Wednesday for a visit with her sister, Mrs. A. E. Ivy.

MASON IS OFFERED PLACE AS HEAD OF COLLEGE AT RUSK

Local Baptist Layman Is Urged to Accept Presidency of Junior Church School

George J. Mason of this city, representative of the Texas Baptist Convention in collecting subscriptions in the Seventy-Five Millions Campaign of Southern Baptists, has been offered the presidency of Rusk College at Rusk, Texas.

Mr. Mason returned to Vernon Wednesday from a trip down state in the interest of the campaign and he received advice of the offer of the presidency of the Rusk school on his arrival. He was urged by members of the board of trustees of the school to accept the place.

He has not decided just what he will do with reference to the offer, but will likely go to Rusk to confer with the trustees concerning the offer. He is engaged for the present year in his present work and has not determined as to what he will do after this year.

The Rusk College is one of five junior colleges maintained by the Texas Baptist Convention. The school has an enrollment at the present time of about 200 students.

Mr. Mason is well known as a school man. He was engaged in that profession before entering business in Vernon several years ago. He came here from Hamilton to become superintendent of schools and resigned after two years service to go into business.

Vernon Dealers Will Pay Premium on Eggs Which Are Infertile

M. B. Oates, agricultural agent for the Fort Worth and Denver railroad, has announced that egg buyers in Vernon, Fort Worth, Bowie and Amarillo have announced they will pay a premium for infertile eggs this summer and that the premium is sufficient to warrant the farmers in producing infertile eggs. According to Mr. Oates the saving to the farmer in raising infertile eggs will average approximately 10 cents the dozen which will mount up considerably during the season.

"The fertility spot develops so rapidly in fertile eggs during the summer that they can not be used for food when they reach the market," Mr. Oates said, "and therefore the dealers are justified in paying more for infertile eggs. I think the farmers should lay all means prepare to produce infertile eggs during the summer."

Mother's Day Will Be Observed by All Churches Here Sunday

Mother's day will be observed in Vernon Sunday by special services at the various churches. Sermons and music appropriate to the day will be the main features of the evening services in practically all the churches. In the morning the churches will all join in observing the graduation program of the Vernon High school to be held at the First Methodist church at which time the choir will sing two anthems and other special features will be on the program.

Most of the churches are requesting that everybody who attends Sunday evening wear a flower in memory of "Mother." The churches have all arranged unusual song services for the evening services.

Dairy Makes Improvements

J. R. Messick, manager of the Vernon Dairy and Poultry Farm is having his house screened to be fly proof and putting in a well drained floor to the place. He said the dairy will be entirely fly proof when the improvements are completed.

VERNON ELECTRIC AND ICE CO. APPEALS FROM DECISION OF JUDGE LEAK NOT TO ADMIT AMENDMENT OF FIRST PETITION

Attorneys Withdraw Request for Another Injunction When City Officials Show That Cause Has Been Removed—May Get Verdict by Wednesday

A decision is expected to be handed down by the Court of Civil Appeals at Amarillo next Wednesday saying whether Judge James V. Leak erred in refusing to permit the Vernon Electric and Ice Company to file an amended petition for an injunction preventing the City of Vernon from spending any part of the funds from the \$40,000 warrant issue remaining on hand at the time the injunction was sought.

Following the dissolution of the temporary injunction by Judge Leak in the district court here Monday and after he had refused to allow attorneys for the light company to file an amended petition, W. N. Stokes of Vernon and Clinton G. Brown of San Antonio, attorneys for the electric and ice company, went to Amarillo by automobile and filed a motion for an injunction when court opened Tuesday morning. The court refused to grant the injunction pending a hearing at which the city would be represented. The case was set for 2 o'clock Wednesday afternoon and the clerk was instructed to notify Mayor Harry Mason and attorneys for the city, that the case would be heard.

When Mayor Mason and City Attorney J. S. Cook with Judge L. P. Bonner as special counsel for the city appeared before the court they pleaded that the cause, sought in the injunction had been removed in that the money which was the point of contention had been spent and asked that the petition of the light and ice company be dismissed. Counsel for the company on learning that the money had been spent, withdrew the petition for an injunction and asked that the court decide, whether the court at Vernon had erred in refusing to allow attorneys for the light and ice company to file an amended petition. The case was then argued on this matter and the court took the case under advisement. A decision is expected by the attorneys next Wednesday.

If the Court of Civil Appeals holds Judge Leak did not err in refusing to allow the amended petition, then that will be the end of the case.

STILL AND ALLEGED OPERATORS SEIZED

FEDERAL AGENT AND DEPUTY SHERIFFS MAKE RAID YES TERDAY AFTERNOON

Three men, four 100 pound sacks of cane sugar, six gallons of corn liquor, a 50 gallon capacity copper still with full equipment and a complete campaign outfit was the net proceeds of a raid by Prohibition Officer Arch Tyler and five Wilbarger County deputy Sheriffs at a point near Sigler Well No. 9, just after noon yesterday. The men arrested at the still and who will be charged both in the federal and the state courts, according to statements by Arch Tyler, were Jess Fugate, his son Fred Fugate and Dave Lovelady, all of Harrold.

Mr. Tyler took the three men to Wichita Falls yesterday and said he would prefer charges against them in the Federal Court there and that afterwards they will be charged with another offense in connection with the violation of the Dean state prohibition law.

Sheriff Frank Edmondson and members of his force had been working on the case with the prohibition officer for some time and Wednesday night the federal officers with members of the sheriff's force went to the spot and watched the still for several hours. It was not in operation, however, so they came back to town and just at noon yesterday, Arch Tyler with Deputy Sheriffs, J. M. Keesee, Clyde Watts, Boyd McClendon, R. J. Bailey and W. A. Laramore, went to the place and surrounded it. They watched the still for some time, they said, and saw it in operation. Then they came into the open and arrested the three men and brought them, with the entire equipment, to Vernon. The still was out in the open bed of a small creek.

Success In Boston

"Six Cylinder Love" the play which will be brought here this winter by the Federated Clubs of Vernon, has just completed a record run of six weeks in Boston during which time it played to audiences who paid \$100,000 in admission.

Mr. and Mrs. E. M. Leutwyler visited relatives in Wichita Falls, Thursday.

FATHER WILL PUT TOMB OVER BODIES

TRAGEDY WHICH SHOCKED ENTIRE STATE RECALLED BY VISIT HERE

K. R. Wonnack of Colorado, a former resident of Vernon, is visiting in the home of R. H. Baskerville. He came here to have a tombstone erected over the graves of three of his sons who were killed in a sand cave on Pease river in March 1890 when three brothers of Mr. Baskerville also were killed. The six bodies were buried in East View Cemetery.

Mr. Wonnack left Vernon in 1892 and since that time has resided in Oklahoma and Colorado.

The accident in which the six Vernon youths lost their lives was one which shocked the entire state at that time.

The six boys, all playmates, had made a cave in the banks of the river where they played. On the day of the tragedy they had been playing in their cave and when they did not return home at supertime their parents instituted a search. They found the sand had caved in and all the boys had suffocated.

Elliott Schools To Have Exercises for Closing Next Week

The Elliott School will close Friday, May 18, and for the closing exercises there will be a play "Deacon Dubs" given by the pupils of the senior grades Thursday and Friday nights. On Friday night the lower grades will give exercises in addition to the play.

There have been 88 pupils enrolled in the Elliott school during the past term and three teachers were employed. Next term there will be four teachers and a new school house is being erected. Vocational agriculture will be taught next term.

Duke of York's Wedding.

Here is the first picture to reach America of the actual wedding of the Duke of York, second son of the British rulers, to Lady Elizabeth Bowes-Lyon, in historic West Minister Abbey. The King and Queen and other members of the royal family are grouped at the right of the picture.

News from The Churches

Presbyterian Church

E. L. Moore, D. D. Pastor.

Sunday school at 9:45 a. m.

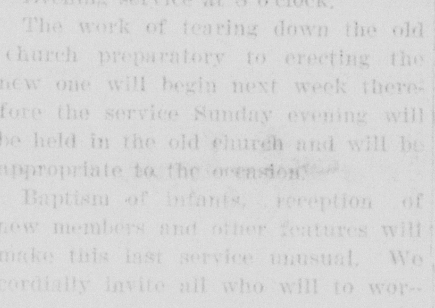

No morning worship on account of the commencement sermon at the Methodist church.

Evening service at 8 o'clock.

The work of tearing down the old church preparatory to erecting the new one will begin next week therefore the service Sunday evening will be held in the old church and will be appropriate to the occasion.

Baptism of infants, reception of new members and other features will make this last service unusual. We cordially invite all who will to worship with us on this occasion.

Announcement will be made in next week's paper as to a plan for worship while the new church is being built.

NOTICE TO CONTRACTORS
For State Road and Bridge Construction

Sealed proposals addressed to E. L. McHugh, County Judge for the improvement of certain highways in Wilbarger County will be received at the office of E. L. McHugh at Vernon, Texas until 10 a. m. o'clock, May 25th 1923, and then publicly opened and read.

Description of Work to be Done

The proposed work consists, the grading and building of structures on 3.41 miles of state highway No. 5 through Tolbert. The estimated quantities are 17532 cubic yards earth roadways excavations; 18702 cubic yards earth borrow excavations; 2746 station yards over haul; 698 linear feet guard fence; 4355 station clearing and grubbing; 5961 cubic yards structural excavations; 411.79 cubic yards class A concrete; 37382 pounds reinforcing steel; 200 linear feet type B concrete bridge railing.

Proposals for grading and structures may be submitted together or separately. Detailed plans and specification of the work may be seen for examination and information be obtained at the office of John D. Nabors, County Engineer at Vernon, Texas, and at the office of the state highway department state office building, Austin, Texas.

A certified or cashiers check for \$1,000.00 One thousand dollars, made payable without recourse to order of E. L. McHugh, County Judge of Wilbarger County, must accompany each proposal, as a guarantee that the bidder, if successful, will enter into contract and make bond in accordance with requirements of the specifications. The rights reserved by the party of the first part to reject any and all proposals or to waive all technicalities.

Proposals shall be submitted in sealed envelopes and marked, bids for the construction of state aid project No. 335 in Wilbarger County.

All bids received will be retained by the department and will not be returned to the bidder.

E. L. McHugh, County Judge. 35-21 Fri

Mrs. Tommy Courtney and Mrs. M. L. Sanderson of Electra visited relatives in Vernon yesterday.

SPLENDID LIST OF BOOKS FOR BOYS HAS BEEN RECEIVED BY MISS NEWTON AND PLACED ON LIBRARY SHELVES HERE

Miss Lillian Newton, librarian, is making a special effort to get boys to read more good books and to this end she has just received a large number of books for boys which have been highly recommended by the American Library Association.

In writing of the splendid opportunities offered in reading, Miss Newton quoted the following from William Heyliger:

"Some where in the world and not very far off, there are stories and articles that will mean to you all the difference between success and failure. Jim Page read a book on South American travel and became the head of one of the biggest exporting houses in the country. Jack London sat down to read what some one had said about a picture of oyster pirates and became one of the best known writers of the day. Robt. E. Peary explored a basement book shop and found the North Pole.

"It is a great record so far. What are you going to add? The answer lies in what you read."

The following new books for boys are now on the shelves at the library:

"Adventures of Tom Sawyer," by Twain.
"Alaska Man's Luck," by Rutledge.
"At Home in the Water," by Corgan.
"Barnaby Lee," by Bennett.

"Black Arrow," by Stevenson.
"Black Buccaneer," by Mender.
"Boy Emigrants," by Brooks.
"Boys' Book of Mounted Police," by Crump.

"Boys' Book of Sports," by Rees.
"The Frozen Barrier," by Browne.
"High Adventure," by Hall.
"High Benton," by Heyliger.
"Jungle Book," by Kipling.

"The Mark of the Knife," by Ernest.
"Men of Iron," by Pyle.
"Merry Adventures of Robin Hood," by Pyle.

"The Talisman," by Scott.
"The Three Musketeers," by Dumas.
"Twenty Thousand Leagues Under the Sea," by Verne.

"Boys' Home Book of Science and Construction," by Morgan.

"Boys' King Arthur," by Malory.
"Boys' Life of Abraham Lincoln," by Nicolay.

"The Boys' Life of Edison," by Meadowcroft.
"Boys' Life of Theodore Roosevelt," by Hagedorn.

"Camping and Woodcraft," by Kephart.
"A Connecticut Yankee in King Arthur's Court," by Twain.

"Cruise of the Cachet," by Bullen.
"The Voyage of Captain Scott," by Turley.

"Young Trailers," by Altsheler.

RUTH WILL PROSECUTE ACCUSER.

Babe & Mrs. Ruth. Dolores Dixon.

When Dolores Dixon, a pretty New York girl, entered suit for \$50,000, alleging Babe Ruth, home-run king of the New York Yankees, was the father of her child, she was the victim of blackmail. When the suit was about to come to trial Ruth's attorney learned that a man who had formerly lived in an apartment where the girl had a room could bare the blackmail plot. When the attorney got an order from the Court to examine the man before the trial the girl hastily withdrew her suit. Ruth has placed the matter in the hands of the District Attorney of New York, asking prosecution of all

place suit of gray and blue with necessities to harmonize. Soon after the ceremony the couple departed for Cordell, Okla., where they will visit the bride's mother.

Mrs. Parsley is the daughter of Mrs. J. C. Morrison of Cordell, Okla., who with her family lived here for several years. Since the departure of Mrs. Morrison for her home in Oklahoma, the bride has been making her home with Mrs. H. W. Norwood. She is a graduate of the Vernon High school and for some years has been in the employ of the local telephone company.

"SNUB" POLLARD IN TROUBLE AT VERNON

COMEDY KING GETS HIS WHEN
HE PLAYS PART OF RENT
COLLECTOR

"I knew I'd get in trouble if I'd play the part of a rent collector," declared "Snub" Pollard after the completion of his latest two-reel Pathe comedy, "Big Up," which will be seen next week at the Vernon Theatre.

"I hate any kind of a collector," he continued, "and I don't want to even be one on the screen. The worst blow of it though, was when they had Charles Stevenson play the tough party in the comedy. I had the fun of watching Charlie beat up Harold Lloyd and knock him all over the lot when 'Grandma's boy' was being produced, but I never hoped for such a fate myself.

"A rent collector—in a screen comedy—is all right if he has the Army and Navy to back him up, but if he hasn't he's lost. I knew I was going to get mine—and I did. And now every time I enter the studio or walk across the lot I get hissed at by the company. 'Sssssss! Rent collector! Jibe. And, darn it, it's getting tiresome.'"

Perhaps there is something in the complaint that "Snub" endeavors to register. Anyway, in the comedy Charles Stevenson certainly gives him plenty of good wallops. But then, "Snub" wins the girl in the end, and seeing that it is Marie Mosquini, he surely ought to be happy.

VERNON HIGH GETS REVENGE ON CHILLI

HOME GUARD ROMPS ON VISITORS AT FAIR GROUNDS
WEDNESDAY AFTERNOON

Vernon High got revenge with a capital "R" when it met the Chillicothe High Baseball Team on the local diamond Wednesday afternoon. The boys from up the road used everything they had to stay the onslaught of Vivian Smith's warriors but all they were able to save was the small end of a 19 to 4 score.

Walker, Vernon's all round athlete, pitching for the home guard, made a perfect 1000 batting in addition to introducing nine of the visitors to the windy route. Walker was up five times and got hit once, which sent him to first, then he got to first on four balls and the other three times he got perfectly good hits.

Williams and Parr both batted 500. Parr got two three baggers and one two bagger out of six times up while Williams slammed out one three, one two and one safety.

The Chillicothe boys received a terrible jolt in the first inning when Vernon brought in three runs. Thereafter the locals scored during almost every inning.

Chillicothe used three pitchers and all three of them combined struck out eight men. The Chillicothe boys got seven hits off of Walker while the locals gathered in 14.

Highway Official in Vernon Enroute West On Re-mapping Trip

John C. Wells, field director for the Colorado-Gulf Highway, was in Vernon yesterday en route from Brownsville to Colorado in his work of re-mapping the highway. He expects to have entirely new maps out before the tourists season opens.

Mr. Wells said some important changes are being made in the maps. These changes include taking from the map names of towns that do not have filling stations and listing the various points of interest in towns through which the highway passes.

Mr. Wells said he is confident that within another year people can go from Vernon to Brownsville without slowing up their cars, as all but a few miles of road between have been built or are contracted to build.

Assistant Manager of Telephone Company Is Married Thursday

A wedding of much interest to friends of the young couple was solemnized yesterday afternoon at 6:30 when Miss Bernice Morrison became the bride of Harold Parsley both of this city. Dr. R. E. Dickenson, pastor of the Methodist church performed the ceremony with Misses Lora Long and Winnie Jewel Norwood, close friends of the couple, as witnesses.

The bride was attired in a three

Governor Neff has again met with defeat in getting his law enforcement program enacted into law, but this should not be interpreted as a lack of sympathy with the Governor's purposes on the part of the members of the Legislature.

The people are slow to surrender to the State authority such absolute power in the removal of local peace officers as was sought by the Governor.

Law enforcement if it is ever to come must come from the people, acting through their local authorities. Laws can't be enforced satisfactorily or even adequately by State authority.

Incompetent peace officers are merely the outward manifestation of popular opinion. This does not mean that the people are favorable to lawlessness but it is an unmistakable indication of popular indifference.

Still another factor in the failure of Mr. Neff's program may be attributed to the well defined opinion that he is more concerned about the enforcement of the prohibition laws than he is any other group of laws. His speeches have clearly indicated the trend of his mind in that direction.

No good citizen will quarrel with Governor Neff in his desire to have the prohibition laws enforced. But lawlessness manifests itself in far more dangerous ways than in violations of the prohibition laws. America is the most murderous civilized nation on earth. Texas is one of the most murderous states in the Union. Murder is a rather safe occupation in Texas, but these considerations do not seem to bestir the Governor nearly so much as the fact that people still make, sell, buy and consume intoxicating liquors in violation of the law.

As between bootlegging and murder none can deny that the latter is a far more heinous crime than the former. Selling liquor is a crime—only because the statutes have declared it so, while murder is a crime per se. It would be a crime if there were no statutes dealing with it.

The defeat of Mr. Neff's program is not a victory for lawlessness. It only means that the members of the Legislature differed with him as to the proper method of dealing with a bad condition. His zeal is commendable, but the wisdom of his particular program is extremely doubtful, and there should be no alarm felt over the action of the Legislature. The best way to enforce the law is for good citizens

to serve on juries and convict for the full limit of the law where the evidence justifies. A few legal hangings will do more for law enforcement in Texas than all the statutes the Legislature can pass between now and the Millennium. What's a fact.

The Amarillo trade excursion will include Vernon in the list of towns to be visited this year. Amarillo is a fast growing jobbing center, just as accessible to the manufacturing centers as either Fort Worth or Dallas and there should be ample opportunity for extending the radius of the Amarillo trade territory so as to include Vernon. Then another thing, we need to get better acquainted with our western neighbors. Vernon has more in common with towns to the west of us than she has with towns east of Wichita Falls. The visit of the Amarillo trade trippers to Vernon ought to prove profitable to both visitors and hosts.

Vernon continues to build new business houses, new homes and new churches. This is an eloquent testimonial of the solid foundation on which this city is built—that of diversified farming. Nothing can quite take the place of this industry. Oil wells are fine and produce a great deal of wealth in a remarkably short time, but we must not forget that in the last analysis Vernon's future depends upon the continued development of the farming resources of Wilbarger County. In the past few months Childress has shipped out more than a quarter of a million dollars' worth of fine stock, poultry and dairy products. Childress County as a whole is not so productive as Wilbarger County, but we have allowed our western neighbor to forge ahead of us in live stock and poultry raising. Wilbarger County should be one of the wealthiest counties in Texas.

THE END OF THE WAR
By Phoebe K. Warner.

So long as "might makes right" men are going to fight. This is the final conclusion of the Motherhood of the World. But who ultimately pays the bill? "In Flanders fields the poppies blow, between the crosses row on row. But every cross means a soldier sleeping amid the poppies." His last battle fought, his life work done, his victory won. His heart aches ended. But every cross means more. It means a broken home. A heart ache somewhere that will never be eased until death brings relief. Oh! the agony of the heart of the mother whose son is sleeping in Flanders fields and even the greater agony in the heart of the mother who knows not where her boy is sleeping or when or how he fell and suffered and died.

Who pays the bill for war, after all? The soldier who falls in action and whose suffering is soon smoothed in the sleep of death? The government that exacts the price in dollars and cents from the people? Or the soldier who returns to civil life again to find his health, his position or his friends gone, and the mother who gave her son to die for his country while she suffers on to the end of life without him? Who really pays the bill in love and suffering and sacrifice? There is but one answer to all these questions and that answer is "woman." Women pay the final war debt in the most heart rending way.

For five years now the men of all nations have been trying to find a way to put an end to war. But men have so many interests to consider. And men are so accustomed to fighting for peace it seems hard to be human. There are so many conflicting claims between the nations. But these do not mean so much in the minds of the mothers of the world. They are thinking more in terms of human values, human suffering and human sacrifices.

The women of the world have about concluded if Peace ever comes on earth and if wars ever end this great change will have to come naturally as other great changes have come in the human family. And that is by the women of the world coming together and devising ways to rear a generation of men throughout the world who want peace, who believe in peace and who will use their hearts and brains to bring peace on earth, good will to all men.

It is to this end that a representative group of women from all nations met in Washington, April 30 to May 10 to study the conditions of womanhood and motherhood throughout the

world. The name of this new World Movement is the Woman's Universal Alliance. It was organized in Washington, D. C., U. S. A., in April, 1922. Its purpose is to serve humanity in the highest sense and to Memorialize service. To foster a spirit of good understanding and fraternity amongst the peoples of all nations to the end that WAR MAY BE NO MORE. To co-ordinate the efforts of all women and all organizations of women of the world in welfare work. And to establish bureaus of national and international information for the dissemination of knowledge of such work for the benefit of mankind. To establish and maintain at Washington an Aeropolis to Womanhood of all lands as the first memorial in the world to the efforts and service of women in the achievements of civilization. To encourage the work of character education and development of children and young people of various nations in order that a better and more enlightened citizenship may be established in all nations.

The history of every country and every state in the United States is rich in the noble deeds of its great patriots and constructive women.

These women were the torch bearers of civilization. The World's Universal Alliance proposes to honor these great women as a duty to the past and an incentive to the present and future. To this end each State in the Union will be requested to select the names of twenty-five women not living whose life and work have meant the most to their State and present these names to the National Historical Research Committee who will be the final judges for the best list submitted.

It is this work of selecting the names of the greatest women of the past in your State that we wish the women of Texas, New Mexico and Oklahoma to be thinking about. Take up the discussion in your home, at school, at your club. What could make a more interesting study than the study of our own great women?

SECRETARY HANEY WANTS ALL ROTARIANS PRESENT TUESDAY

Ep M. Haney, secretary of the Vernon Rotary club has requested that every member of the local club be present at the meeting Tuesday if possible, as plans will be made for going to Childress the next day to put on a program for the club there. The Childress club came here last week and put on a special program and the local club is going to make a return visit.

Work Starts Monday

Members of the First Presbyterian church will worship Sunday evening for the last time in the present edifice. Work will start next week tearing down the old building to make way for the modern new structure.

The women of the Oklahoma Home and school club will hold a market at the City Meat Market in Vernon tomorrow. Dressed chickens, cakes, pies and jellies will be sold.

Anything in Your Eye?

Many people who come to us for eye examination imagine there is some foreign substance in their eyes.

It is hard to convince them, sometimes, that these gritty, sandy, scratching, irritating conditions are symptoms and effects due to refractory errors which usually can be corrected by the wearing of properly fitted glasses.

Let us take the "grit" out of your eyes.

Friendly Little Bees Make Social Call on Vernon Express Driver

A swarm of bees played a social call on Nappy Baird, driver for the Express company, one day this week when they were being transported from the railroad station to the Express office. When the bees called they sat down rather unceremoniously, according to those who witnessed the little social gathering, and all left their cards.

Not being entirely familiar with bees and their habits, Baird, when he received the shipment to be transported to the local office was a little careless with Bee etiquette and evidently offended the creatures. No sooner had he loaded them onto the truck and started on his journey across town when several of the friendly little beasts found an opening from their hive and proceeded to make their presence known by making a bee line—bee line is right—for Baird's exposed neck. One of them sat down and Baird raised up. Another one sat down and Baird raised higher.

From the time the second bee put in his call until the truce was signed after Baird sent up the white flag; the bees won every inch of ground and hoisted their colors all over Baird's face and neck. After the truce was signed Baird finally succeeded in stopping up the bung hole in the hive and making the remainder of the enemy prisoners for the remainder of their journey. Bees will be bees.

Missouri Town Prefers a High School Over a Light Plant

Voters of Brookfield reject \$95,000 bond issue 1,044 to 250 because satisfactory service was rendered by light company and because of need of new high school buildings.

Here's the Story as Told by the Brookfield Daily Argus

THE AFTERMATH

And the next day it was all over.

The special election yesterday, called by Mayor White and the City Council for the purpose of bonding the city for \$95,000 for building a municipal light plant, was snowed under on the last day of April.

The blizzard was general over the city as will be observed by the figures below.

The vote by wards was as follows:

FIRST WARD—25 for; 306 against.

SECOND WARD—69 for; 382 against.

THIRD WARD—95 for; 225 against.

FOURTH WARD—61 for; 131 against.

The total vote on the proposition was 250 for, 1,044 against.

IT IS ESTIMATED BY THE JUDGES THAT MORE WOMEN THAN MEN VOTED AGAINST THE ISSUE. THIS IS PROBABLY BECAUSE THE WOMEN, ESPECIALLY THE MOTHERS, REALIZE THE DIRE NEED OF NEW AND MORE MODERN SCHOOLS FOR BROOKFIELD, and feel when the city is further indebted it should be upon that issue, and not upon an experiment.

The North Missouri Power Company is to be congratulated for the victory and they will now go ahead with the contemplated improvements at the local plant.

This is what happened after it was shown that it would COST TWICE AS MUCH to operate a municipally owned plant as it would cost to buy electricity for pumping water and lighting streets from the private company.

Here's What Brookfield Citizens Had to Say About the Bond Issue for a Light Plant:

J. F. Walker—"The proposition has no chance to carry. It is not practical and the votes will show that it is not, at the polls."

R. N. Bowden—"If further indebtedness is to be carried by the city it should be for new school buildings and not for competition against an established business."

J. H. Fuoss—"The burden now carried by the taxpayers is sufficient without an added burden from an experiment."

H. J. West—"The city should become relieved of its present burden before assuming others."

Dr. S. T. Brownfield—"Taxes at present are sufficient without additional ones for something we already possess."

D. B. Rogers—"You cannot make my remarks too emphatic as against the issue. When we have modern schools and good paving is time to take up the light issue."

Mrs. J. B. Patrick—"Give us new school buildings and thus make Brookfield attractive to those seeking homes. The present light plant is

perfectly satisfactory and adequate."

Thomas Moore—"The proposition looks impractical to me. Let us rather vote for new schools. They are the proposition that need additional light."

E. A. Tooley—"Mark me down as being opposed to bonding for an experiment when there are things the city needs much worse. Being a taxpayer I want to be satisfied in my own mind that I am bettering Brookfield."

Mrs. C. L. Thomas—"I am for Brookfield first, last and always and know of no better way I can serve its interest than casting a vote against the bond issue. Our crying need of new and modern schools will find me an enthusiastic supporter for the cause."

C. E. Lowe—"My vote will be registered against the bond issue. Were the proposition reasonable and practical I would be for it but it is built on a foundation of sand and has no chance. My increase in taxes by my vote will be for new schools."

Which Shall It Be in Vernon--a Municipal Light Plant or High School Building?

ROBIN HOOD HERE THROUGH SATURDAY

SUCCESS OF FILM CAUSES MANAGEMENT TO KEEP IT FOR RECORD RUN

So successful has been the four day run of Robin Hood at the Pictorium here that the management has decided to run the film today and tomorrow. While a majority of the people in Vernon are said to have witnessed the entire unusual production, there are many people from the rural districts and from the nearby towns who have not seen it.

Robin Hood is making a record run for Vernon. It has been mighty seldom in the past that a picture has lasted even four days so the weeks run of the famous film will make a record all its own.

Comments on Robin Hood have been spontaneous and numerous. Scores of people who have seen the film have stopped at the box office to say it was the best film they have ever seen. Some who saw the world famous "Birth of a Nation" declared Robin Hood to be fully as good. The orchestra that is accompanying the film is rendering splendid music which was written for the play.

ELRENO

By special correspondence.

Miss Alice McFarland who has been spending the week with her sister, Mrs. C. D. Walls has returned to her home at Electra.

Mr. and Mrs. J. Reeks and F. Johnson were in Vernon Thursday on business.

Following is the cast of characters for the High School play: Mrs. Martin, Ruth Walker; Mr. Wheeler, Clarence Peterson; Mrs. Wheeler, Leslie King; Bobby Wheeler, Leil Buchanan; Cora Wheeler, Edith Wheatley; Miss Phiney, Hazel Vaughn; Clarence, A. C. Roger, Jr.; Della, Ida Maud Lutz; Dinwiddie, Chester Robinson; Mr. Stern, Harlow Rouse.

The curtain will be at 8:30 o'clock sharp.

CLINT SWARTWOOD OPENS UP WINDMILL AND PUMP BUSINESS

Clint F. Swartwood has opened up a windmill, pump, pipe and pipe fitting business in the Swartwood building on West Olive street. Until recently he was associated with Swartwood and Company in the hardware business and when that company was sold he decided to go into business for himself.

Mr. Swartwood has been raised in Vernon and has been in the hardware business practically all of his business career.

Mrs. Johnson Ill

Mrs. Cecil Storey left yesterday for Dallas where she was called on account of illness of Mr. Storey's grandmother, Mrs. J. R. Johnson.

Mr. Storey has arrived in Dallas from Austin and John A. Storey, who has been in Childress on business, has also come to be with his grandmother.

MRS. HOLLAR REPORTS ON SUCCESS OF P. T. A. SALE

Mrs. L. A. Hollar, president of the Shive School Parent Teacher Association, writing from Denison where she recently went to be at the bedside of her daughter, Mrs. Stagner, has written that the recent lunch sales at the school were entirely successful and that she desires to thank all those who helped. Enough money was raised, Mrs. Hollar said, to pay off all debts and have \$20 over in the treasury for next year's operations. She said the women all worked together as one and it was the united work that made the sale a success.

Sunday School Attendance

Attendance at the various Sunday Schools in Vernon last Sunday was as follows: Methodist 487; Baptist 415; Church of Christ 176; Central Christian 150; Presbyterian 129. Total of attendance 1357.

Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

CARDUI

The Woman's Tonic

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, ... when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.

At all druggists' and dealers'. E 97

Mr. and Mrs. W. J. Stuckler, Mrs. C. W. Andrews, B. M. Johnson and J. V. King motored to Wichita Falls Thursday evening to attend a dinner given to the Express Company employees.

—But You Can't Ride on the Paint!

Imitation diamonds can be made to look so real and sparkle so brightly that it is difficult to tell them from the genuine.

But try to sell one and you will find out its real worth in a flash.

Same with automobiles. Weaknesses of construction in a closed car can be hidden, for a time, with paint and varnish and fancy fittings. But all is not quality that glitters.

You can't ride on the paint. And when you place such a car in the second hand market, you suffer a heavy depreciation because it lacked real intrinsic value at the outset. Use will never improve a mediocre product.

The second hand floor is the melting pot for automobile values. Cars are stripped of artificial values and only inherent worth counts.

Motor car owners tell us that the trade-in value of any Studebaker car at the end of three or four or five years of useful life is greater than on any other car built today—the percentage of depreciation is the lowest.

No wonder the Studebaker Light-Six Sedan is the fastest selling quality Sedan in the world!

The name Studebaker stands for quality, durability, comfort and integrity.

Four wide-opening doors. Eight-day clock. Quick-action cowl ventilator. Attractive coach lamps. Heater. Mohair velvet plush upholstery. Glare-proof visor and windshield cleaner. Dome light. Thief-proof transmission lock.

EXERCISES FOR GRADUATES WILL BE HELD THURSDAY

Dr. Henry Lewis Smith To Make Graduation Talk in Special Services at First M. E. Church

When the Vernon High School graduates receive their diplomas at the First Methodist Church next Thursday evening at 8 o'clock one of the most interesting programs in history of the schools will be carried out at the graduation exercises. The main feature of the program will be an address by Dr. Henry Lewis Smith, president of Washington and Lee University, who is one of the best known educators in the nation and an orator of wide reputation.

The program for the graduation exercises follows: Opening chorus by graduates; Invocation by Rev. Lewis P. Kopp of the Central Christian church, Sulphur, Miss Ruth Walker; Vocal Solo, Miss Opal Williams; Reading, Miss Hazel Vaughn; Valedictory, A. C. Boger, Jr.; Chorus, graduates; Address to graduates by Dr. Henry Lewis Smith, president of Washington and Lee University; Awarding of diplomas by J. O. Rouse, president of school board; Chorus by graduates; Benediction by Rev. E. L. Moore of First Presbyterian Church.

The senior class at the high school is composed of the following prospective graduates: Alyene Arnold, Alene Ashenbush, Ola Austin, Everett Adams, Lillian Brundage, Estelle Frisco, Charice Brown, Lorain Brinson, Willie Carpenter, Odessa Copeland, Guyman Cato, Lillian Garner, Mildred Hansard, Juanita Hill, Jamie Munn, Lester Mitholland, Clarence Pearson, Claud Roberts, Cecil White, Eunice Davis, Maurine Davis, Paul Wilhelm, Leil Buchanan, Leslie King, Ann Thurston, A. C. Boger, Jr., Frank Parr, Chester Robinson, Harlow Rouse, Marguerite Thomas, Velma Thomas, Ruth Walker, Hazel Vaughn, Mae Swin, Opal Williams, Edith Wheatley, Arnie Lowe, Helen Enkle, William Bagley and Hardy Taylor.

Special Services for School Graduates To Be Held Next Sunday

There will be special services for the graduates of the Vernon High school at the First Methodist church Sunday morning at 11 o'clock and all churches of the city will unite in the service. The sermon to the graduates will be preached by Dr. Robert E. Dickinson, pastor of the Methodist church, and there will be a special musical program.

Special seats have been reserved for members of the graduating class and their parents as well as members of the faculty. Invited guests will have seats in the middle tier with the graduates, faculty and members of the families of graduates.

PROGRAM AT PICTORIUM WILL BE DOUBLE FEATURE

Besides Robin Hood which will run at the Pictorium today and tomorrow, the regular "Buffalo Bill" Chapter will be run and a Harold Lloyd comedy entitled "Spot Money" will be put on.

A special matinee will be offered at 8 o'clock Saturday morning in order that school children and others who can not go in the afternoon or night can see the show.

Weaver Returns From Lufkin

Helen Weaver, who has been at his home at Lufkin recovering from injuries received two months ago when an automobile in which he was riding collided with a light pole, has returned and resumed work with the McClellan Grocery Company.

L. E. Piper and C. A. Allingham went to the South Electra oil field Tuesday.

C. OF C. WEEK NOW POSTPONED UNTIL SOME TIME IN JUNE

Large Delegation Going to San Angelo Makes Action Necessary to Insure Success

Because of the West Texas Chamber of Commerce Convention meeting in San Angelo during the week of May 21 when Chamber of Commerce week had been planned in Vernon, the latter event has been postponed until some time in June. The date will be named later.

A large number of Vernon business men have signed up to go to the big convention at San Angelo and according to reports today there may be more than one Pullman car load to go there. As the time approaches for the affair business men here apparently are becoming more enthusiastic over the prospects of attending the convention at which practically every town larger than a village and even many villages will be represented by large delegations.

Capt. C. S. Nussbaum, who is to help conduct Chamber of Commerce week here, was in touch with officials of the organization yesterday and said it will be entirely satisfactory to him to postpone the meeting. Captain Nussbaum is known all over the United States as a community organizer. He is, in fact, said to be a community expert and has been able in many instances to help organize communities so that they have gone forward at a rapid rate of progress by the citizenship as a whole working for the interest of the entire community.

The program for Chamber of Commerce week is to include a banquet, several special meetings which will be featured by speaking and musical programs and a number of speakings at various rural communities.

W. C. T. U. LAUNCHES CAMPAIGN FOR INCREASED MEMBERSHIP

The W. C. T. U. launched a campaign for new members at a meeting yesterday afternoon at the library. Mrs. Reba Watts, president, who has been absent for some months, presided and gave an interesting account of W. C. T. U. meetings attended while in California.

The organization decided to order the W. C. T. U. emblem, the bow of white ribbon from Jerusalem, Palestine. The local union has furnished the rest room at the court house with 25,000 pages of literature and also takes care of the rooms.

M. H. Wolfe Jumps in Time To Save Life as Fast Train Comes

M. H. Wolfe, Wichita Falls Merchant, saved his life but lost his car Monday afternoon at the Denver crossing near Tolbert when he got out of the car just in time before it was struck by the North bound Denver passenger train. The car was a complete wreck and was carried 100 yards by the train, the cowcatcher having been broken as well as the car being wrecked.

Mr. Wolfe was going to Chillicothe when he went to cross the track on the high grade and his engine died. He tried to start it again when he saw the passenger train coming. He jumped from the car into the clear before the impact.

The wrecked Dodge car was brought into McFall Brothers shop here where it is being held for instructions. In the meantime Mr. Wolfe has bought a new Dodge.

Local Firm Gets Contract

The Hampton Plumbing company of Vernon was awarded the contract for furnishing the plumbing and heating for the new Electra High school, Tuesday. Work will begin at once on the structure so that it may be finished by the time school opens in September.

THESE "BEAVERS" WOULD BE POPULAR IN LONDON.

London's favorite pastime now is to play "beaver," the idea being for two contestants to cry "beaver!" every time they see a man with whiskers. The player who sees the most whiskered man in a day wins the wager. These two San Francisco men, who claim the world's "whiskers' championship," are original Forty-niners, and between them they have more than 28 feet of whiskers. The man at the left has a beard that measures 11 feet 3 inches, while that of the man at the right is 17 feet long.

WATTS OFFERS TO HELP LOCAL POST

WILL ALLOW LEGION TO HAVE QUARTERS IN ARMORY WITHOUT COST

Monday, May 21, members of the Vernon Post, American Legion, will meet to decide whether they will accept the offer of Capt. Clyde Watts to use the Armory on Main street as a Legion hall. At a recent meeting, after thoroughly discussing matters, members of the Legion decided to give up their quarters in the Lutz building because of the strained financial condition of the post.

A committee of Legion members was appointed to look for office space but Captain Watts on learning that the Legion needs quarters and is short on funds, said the post can use the armory without cost.

Post Commander Ep. M. Haney will put the matter of accepting Captain Watts' offer up to the membership and has requested that every member be present at 8 o'clock Monday night, May 21 to vote on the proposition.

Negro Arrested When He Presents Check Said To Be Forged

When I. T. Jones, negro, appeared at the Herring National Bank Tuesday with a check for \$10.50 with the name of a negro woman signed to it and the signature did not look real, he was detained while Mrs. Fred Schuette got in touch with Deputy Marshal Wall.

Jones is now in the county jail charged with an attempt to pass a forged check.

Mrs. Besselman Dies

Mrs. Florence Besselman, daughter of Mr. and Mrs. F. A. Hayhurst of Odell, died at her home in Dimmit County, Tuesday night. Mr. Hayhurst received word in time to be at the bedside of his daughter when she died but Mrs. Hayhurst was confined to her bed seriously ill and could not go.

BOOSTERS PREPARE FOR ANGELO TRIP

VERNON MAY SEND TWO SPECIAL CAR LOADS INSTEAD OF ONE AS PLANNED

Instead of just one Pullman car load of Vernon boosters, indications are now that two special cars may be filled from here to attend the West Texas Chamber of Commerce meeting in San Angelo. Eighteen firms and individuals had signed up Tuesday morning, the list being published in The Record, and now a number of additional names have been put on the list with other business firms indicating they will more than likely send representatives.

The following firms or individuals have signed up in the last few days to go to the San Angelo convention: T. J. Youngblood, North Texas Hardware Company, Dr. M. J. Moore, Aubrey Lockett, Empire Laundry, Ford Motor Company, Service Auto Supply Co., Arthur Vernon, Farmer's State Bank, Richard Taylor, J. V. Owens, Parker, Douglas, Allen and Davis, J. C. Hickernell, W. T. Starr and Dixon Dry Goods Company.

RONDA SCHOOL CLOSES WITH SPECIAL PROGRAM

The Ronda School has closed and there were special exercises to mark the closing. The school is in District 22 of Wilbarger county and is in a thriving community.

Misses Marguerite Baper and Amy Welch graduated and received diplomas which were presented by Mrs. Minnie B. Clark, the principal.

Besides the graduation exercises a playlet was presented and some pretty drills were given by the pupils under the direction of Mrs. Clark and Miss Gladys Warren, one of the teachers. The entertainment was given in the open air and was attended by about 250 patrons of the school.

Miss Andrews Recovers

Miss Bertie Andrews of Wichita Falls, who has been in Dallas for medical treatment for some time, came Wednesday for a visit with her sister, Mrs. A. F. Ivy.

MASON IS OFFERED PLACE AS HEAD OF COLLEGE AT RUSK

Local Baptist Layman Is Urged to Accept Presidency of Junior Church School

George J. Mason of this city, representative of the Texas Baptist Convention in collecting subscriptions in the Seventy-Five Millions Campaign of Southern Baptists, has been offered the presidency of Rusk College at Rusk, Texas.

Mr. Mason returned to Vernon Wednesday from a trip down state in the interest of the campaign and he received advice of the offer of the presidency of the Rusk school on his arrival. He was urged by members of the board of trustees of the school to accept the place.

He has not decided just what he will do with reference to the offer, but will likely go to Rusk to confer with the trustees concerning the offer. He is engaged for the present year in his present work and has not determined as to what he will do after this year.

The Rusk College is one of five junior colleges maintained by the Texas Baptist Convention. The school has an enrollment at the present time of about 200 students.

Mr. Mason is well known as a school man. He was engaged in that profession before entering business in Vernon several years ago. He came here from Hamilton to become superintendent of schools and resigned after two years service to go into business.

Vernon Dealers Will Pay Premium on Eggs Which Are Infertile

M. B. Oates, agricultural agent for the Fort Worth and Denver railroad, has announced that egg buyers in Vernon, Fort Worth, Bowie and Amarillo have announced they will pay a premium for infertile eggs this summer and that the premium is sufficient to warrant the farmers in producing infertile eggs. According to Mr. Oates the saving to the farmer in raising infertile eggs will average approximately 10 cents the dozen which will mount up considerably during the season.

"The fertility spot develops so rapidly in fertile eggs during the summer that they can not be used for food when they reach the market," Mr. Oates said, "and therefore the dealers are justified in paying more for infertile eggs. I think the farmers should by all means prepare to produce infertile eggs during the summer."

Mother's Day Will Be Observed by All Churches Here Sunday

Mother's day will be observed in Vernon Sunday by special services at the various churches. Sermons and music appropriate to the day will be the main features of the evening services in practically all the churches. In the morning the churches will all join in observing the graduation program of the Vernon High school to be held at the First Methodist church at which time the choir will sing two anthems and other special features will be on the program.

Most of the churches are requesting that everybody who attends Sunday evening wear a flower in memory of "Mother." The churches have all arranged unusual song services for the evening services.

Dairy Makes Improvements

J. R. Messick, manager of the Vernon Dairy and Poultry Farm is having his house screened to be fly proof and putting in a well drained floor to the place. He said the dairy will be entirely fly proof when the improvements are completed.

VERNON ELECTRIC AND ICE CO. APPEALS FROM DECISION OF JUDGE LEAK NOT TO ADMIT AMENDMENT OF FIRST PETITION

Attorneys Withdraw Request for Another Injunction When City Officials Show That Cause Has Been Removed—May Get Verdict by Wednesday

A decision is expected to be handed down by the Court of Civil Appeals at Amarillo next Wednesday saying whether Judge James V. Leak erred in refusing to permit the Vernon Electric and Ice Company to file an amended petition for an injunction preventing the City of Vernon from spending any part of the funds from the \$40,000 warrant issue remaining on hand at the time the injunction was sought.

Following the dissolution of the temporary injunction by Judge Leak in the district court here Monday and after he had refused to allow attorneys for the light company to file an amended petition, W. N. Stokes of Vernon and Clinton G. Brown of San Antonio, attorneys for the electric and ice company, went to Amarillo by automobile and filed a motion for an injunction when court opened Tuesday morning. The court refused to grant the injunction pending a hearing at which the city would be represented. The case was set for 2 o'clock Wednesday afternoon and the clerk was instructed to notify Mayor Harry Mason and attorneys for the city, that the case would be heard.

When Mayor Mason and City Attorney J. S. Cook with Judge L. P. Bonner as special counsel for the city appeared before the court they pleaded that the cause sought in the injunction had been removed in that the money which was the point of contention had been spent and asked that the petition of the light and ice company be dismissed. Counsel for the company on learning that the money had been spent, withdrew the petition for an injunction and asked that the court decide, whether the court at Vernon had erred in refusing to allow attorneys for the light and ice company to file an amended petition. The case was then argued on this matter and the court took the case under advisement. A decision is expected by the attorneys next Wednesday.

If the Court of Civil Appeals holds Judge Leak did not err in refusing to allow the amended petition, then that will be the end of the case.

STILL AND ALLEGED OPERATORS SEIZED

FEDERAL AGENT AND DEPUTY SHERIFFS MAKE RAID YESTERDAY AFTERNOON

Three men, four 100 pound sacks of cane sugar, six gallons of corn liquor, a 50 gallon capacity copper still with full equipment and a complete campaign outfit was the net proceeds of a raid by Prohibition Officer Arch Tyler and five Wilbarger County deputy sheriffs at a point near Sigler Well No. 9, just after noon yesterday. The men arrested at the still and who will be charged both in the federal and the state courts, according to statements by Arch Tyler, were Jess Fugitt, his son Fred Fugitt and Dave Lowelwyn, all of Harrold.

Mr. Tyler took the three men to Wichita Falls yesterday and said he would prefer charges against them in the Federal Court there and that afterwards they will be charged with another offense in connection with the violation of the Dean state prohibition law.

Sheriff Frank Edmondson and members of his force had been working on the case with the prohibition officer for some time and Wednesday night the federal officers with members of the sheriff's force went to the spot and watched the still for several hours. It was not in operation, however, so they came back to town and just at noon yesterday, Arch Tyler with Deputy Sheriffs, J. M. Keese, Clyde Watts, Boyd McClendon, R. J. Bailey and W. A. Laramore went to the place and surrounded it. They watched the still for some time, they said, and saw it in operation. Then they came into the open and arrested the three men and brought them, with the entire equipment, to Vernon. The still was out in the open bed of a small creek.

Success In Boston

"Six Cylinder Love" the play which will be brought here this winter by the Federated Clubs of Vernon, has just completed a record run of six weeks in Boston during which time it played to audiences who paid \$100,000 in admission.

Mr. and Mrs. E. M. Leutwyler visited relatives in Wichita Falls, Thursday.

FATHER WILL PUT TOMB OVER BODIES

TRAGEDY WHICH SHOCKED ENTIRE STATE RECALLED BY VISIT HERE

R. R. Womack of Colorado, a former resident of Vernon, is visiting in the home of R. H. Baskerville. He came here to have a tombstone erected over the graves of three of his sons who were killed in a sand cave on Pease river in March 1890 when three brothers of Mr. Baskerville also were killed. The six bodies were buried in East View Cemetery.

Mr. Womack left Vernon in 1892 and since that time has resided in Oklahoma and Colorado.

The accident in which the six Vernon youths lost their lives was one which shocked the entire state at that time.

The six boys, all playmates, had made a cave in the banks of the river where they played. On the day of the tragedy they had been playing in their cave and when they did not return home at suppertime their parents instituted a search. They found the sand had caved in and all the boys had suffocated.

Elliott Schools To Have Exercises for Closing Next Week

The Elliott School will close Friday, May 18, and for the closing exercises there will be a play "Deerco Dubbs" given by the pupils of the senior grades Thursday and Friday nights. On Friday night the lower grades will give exercises in addition to the play.

There have been 88 pupils enrolled in the Elliott school during the past term and three teachers were employed. Next term there will be four teachers and a new school house is being erected. Vocational agriculture will be taught next term.

Crops Good at Rayland

W. O. Hartfield of Rayland was in Vernon on business Wednesday. He said crops in his community are looking fine.

Mrs. Myatt Napier is recovering from two week's illness.

SOCIAL CALENDAR

Mrs. T. M. Ferguson entertains the Tuesday Forty-Two club today at her home on West Wilbarger street.

Mrs. Joe Napier of West Paradise street is hostess to the Tuesday Bridge club.

The choral division of Musicians' club meets with Miss Vera Harrington Wednesday morning at 9:45 at her home on West Paradise street.

Mrs. Erwin McArthur of West Wilbarger street entertains the Friday Bridge club Friday afternoon at her home.

Mrs. J. A. Dixon of West Texas street is hostess to the Home Science club at the last meeting of the club year, Friday afternoon at 3 o'clock.

The Rebekah Lodge meets Friday night in regular session.

Mrs. E. M. Hance will entertain the Saturday Bridge club, Saturday afternoon at her home on South Stephens street.

Edwin Lisman Gains Laurels in Concert Recently at Dallas

Mrs. T. P. Lisman and Mrs. E. P. Hicks left Wednesday for Mineral Wells where Edwin Lisman is appearing this week in concert. Mr. Lisman, a former resident of Vernon, has been residing in Dallas for some months where he has been teaching voice. Favorable mention of his voice appeared in the Dallas News and the Times Herald recently when he appeared there in concert. He also is in demand to sing over the radio in both Dallas and Fort Worth.

Mr. Lisman studied under the best instructors in Chicago and traveled with a concert company until two years ago.

The following news story appeared in the Times Herald last week.

"With Edwin Lisman's magnificent singing of the famous prologue from Leoncavallo's 'Pagliacci,' the exclusive superiority maintained by several world famous baritones, in that role went a-glittering.

"Of artistic import he is master. In his interpretation there was finesse, superlative phrasing and diction, refined to the last degree and sensitive gauge of feeling that makes all his renditions eloquent and satisfying. That he is more richly endowed than most vocalists was obvious to the most critical.

"So prolonged was the applause that he was forced to respond with an encore and gave a short listing thing, 'The Little Rock.' Miss Martha Morina Whitaker, one of the foremost pianists of the state was at the piano and contributed no small part to the evening's enjoyment."

Missionary Society Program.

Members of the Missionary Society of the Methodist church will present a missionary program Monday afternoon at 3 o'clock. A playlet descriptive of life in Korea will be given. Mrs. L. D. Terrell will take the part of a missionary worker; Mrs. W. J. Stuckel, Bible woman; and Mrs. D. M. Forebee, Tui-Chai-Chanule; a talk with general information, by Mrs. L. E. McCurdy under the Throne of Demons, by Mrs. J. A. Carney. There will be music and readings. Refreshments will be served.

Entertains Bridge Club

Mrs. Joe Napier was hostess to the Tuesday Bridge club, Tuesday afternoon at her home on West Paradise street. Four tables of bridge were played and Mrs. C. S. McCulloch won high score. The rooms were decorated with cut flowers and each table had a centerpiece of roses. A salad course was served.

Guests present other than club members were: Mesdames, Hooper, Dale, L. E. Piper and Miss Olive Shive.

Home Science Meets Today.

Mrs. J. A. Dixon is hostess this afternoon to the Home Science club at its last meeting of the club year. Business of importance is to be considered.

Vernon Rebekahs To Meet.

Vernon Rebekah lodge will meet in regular session tonight at the Odd Fellows hall. All members of the order are invited to attend.

Eastern Stars To Meet.

The E. T. Murchison Chapter, No. 424 O. E. S. will meet Monday night at the Masonic hall. Candidates will receive the degrees and all members are invited to attend.

Miss Lola Watson visited Antelope school Tuesday.

Frances—Athalia Pyle.

VERNON MUSIC STUDENTS TO APPEAR IN RECITAL

Mrs. R. S. McCondie, Miss Dorothy Piper and Minerva Price Rhoads will appear in recital Saturday night in Wichita Falls when Ethel Allen Nelson, violinist, presents a few of his pupils in the ball room of the Kemp hotel. Twelve numbers will be given and the program is divided in two parts.

Part one will be beginners followed by the more advanced students of violin. Pupils from Henrietta, Electra, Parkbournett, Vernon and Wichita Falls will play. Mrs. McCondie, who is an accomplished violinist will play, "Fantasia" by Verdi. Little Miss Piper, daughter of Mr. and Mrs. L. E. Piper, will play "Humoresque" by Dvorak and Minerva Price Rhoads, little daughter of Mr. and Mrs. Emory Rhoads, will play, "Elves Dance" by Jenkinson.

Among those who will go from here for the recital are: Mr. and Mrs. L. E. Piper, Mr. and Mrs. L. K. Johnson, Mrs. T. M. Ferguson, Mr. and Mrs. Emory Rhoads.

Senior Class Play at Vernon Theatre Next Wednesday 8:30 Sharp

Tuesday night the senior class play "Clarence" will be given at the Vernon Theatre as one of the events in the graduation week exercises. The play, which was written by Booth Tarkington and has had good runs on Broadway, is under the direction of Miss Anna Joe Pendleton, teacher of public speaking in The High School.

Following is the cast of characters for the High School play: Mrs. Martin, Ruth Walker; Mr. Wheeler, Clarence Pearson; Mrs. Wheeler, Leslie King; Bobby Wheeler, Leil Buchanan; Cora Wheeler, Edith Wheatley; Miss Pinner, Hazel Vaughn; Clarence, A. C. Boger, Jr.; Della, Ida Mand Lutz; Dimwiddle, Chester Robinson; Mr. Stern, Harlow Rouse.

The curtain will be at 8:30 o'clock sharp.

BROWN NEWS

Some of the young people enjoyed a "E" party at Mr. and Mrs. J. H. Hammonds' Saturday night. They were: Mr. and Mrs. N. A. James, Misses Mattie Likely, Roxie and Ina Hammons, Bill Cain, L. D. Hammons, Ebene David and Floyd Likely of Iowa Park.

Mr. and Mrs. O. L. Thompson had the following visitors Sunday: Misses Ethel and Jamie Hampton of Union; Mattie Likely, Ina Hammons, Ruth Cain and Mrs. Elikam Wood, Eben Davidson and E. F. Likely of Iowa Park.

Mrs. A. L. Likely of Electra has been visiting her parents, Mr. and Mrs. John Likely, the past week.

Misses Ina and Roxie Hammons have been spending the week with their brother Herman and wife of Iowa Park.

Rev. J. W. Offer of Mack will fill his regular second Sunday appointment.

WILL SHE BE ENGLAND'S NEXT QUEEN?

Again Dame Rumer, in London, has picked a bride for the bachelor Prince of Wales, who seems a little backward about picking one for himself. This time it is Lady Pryllis King, daughter of Lord Lovelace, who is now reported engaged to the heir to the British throne.

Two Couples Married By Pastor in Double Wedding Wednesday

A double wedding of interest took place at the home of Rev. Lewis P. Kopp, pastor of the Central Christian Church, Wednesday afternoon at 3 o'clock, when Miss Leone Lofton was married to Elmer Hise and at the same time Miss Doris Mae Reed was married to Jeff Hurt. Rev. Mr. Kopp conducted the ceremony in the presence of a few relatives and friends of the couples.

Mrs. Hise is the daughter of Mr. and Mrs. W. R. Lofton of West Marshall street, this city, and Mr. Hise is the son of Mr. and Mrs. W. A. Hise of South Lexington street. The couple will make their home on Mr. Hise's farm 12 miles southwest of Vernon.

Mrs. J. N. Reed of South Mesquite street while the groom is the son of Mr. and Mrs. R. D. Hurt who reside in West Vernon. The couple will make their home in this city.

Mrs. Ferguson Entertains 42 Club. Mrs. T. M. Ferguson was hostess to the Tuesday Forty-Two club Tuesday afternoon at her home on West Wilbarger street.

At the close of the games, the hostess served a two course plate lunch to the following: Mesdames J. D. Sumner, M. G. Neathery, Paul Goetze, H. K. Greever, M. K. Byrd, J. N. Johnson, J. A. Luckey, J. A. Dixon, John Reese, R. S. McCondie, Ralph Terhune, Herb Thompson, R. E. Townsend, A. M. Hiatt, J. H. E. Young and R. R. Sherrill.

Miss Mildred McLarty is visiting her sister Miss Blanche McLarty at Austin.

WEDDING OF DUKE OF YORK.

Duke of York's Wedding

Here is the first picture to reach America of the actual wedding of the Duke of York, second son of the British ruler, to Lady Elizabeth Bowes-Lyon, in historic West Minister Abbey. The King and Queen and other members of the royal family are grouped at the right of the picture.

Presbyterian Church

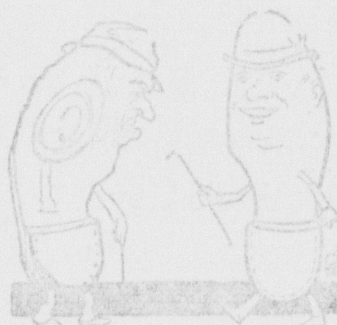

E. L. Moore, D. D. Pastor.
Sunday school at 9:45 a. m.
No morning worship on account of the commencement sermon at the Methodist church.

Evening service at 8 o'clock.

The work of tearing down the old church preparatory to erecting the new one will begin next week therefore the service Sunday evening will be held in the old church and will be appropriate to the occasion.

Baptism of infants, reception of new members and other features will make this last service unusual. We cordially invite all who will to worship with us on this occasion.

Announcement will be made in next week's paper as to a plan for worship while the new church is being built.

MAKE YOUR OLD SHOES HAPPY

They'll feel better, look better and give lots better mileage if they're kept in good repair. More shoe comfort for less money.

Thompson's Electric Shoe Shop
South Side Square

DON'T make the mistake of thinking that Goodyear quality is beyond your reach. Goodyear Cord Tire prices are remarkably low, as the following list of representative sizes shows:

30x3 1/2 Clincher	\$17.55
32x4 Straight Side	\$6.19
33x4 Straight Side	\$7.39
33x5 Straight Side	\$8.29

As Goodyear Service Station Dealers we call and recommend the new Goodyear Cords with the best of all. Weather Tread and have them up with standard Goodyear Service.

U. S. ARMY BREAKS ENDURANCE RECORDS.

Lt. John A. MacReady & Oakley G. Kelly

Lieutenants John A. MacReady and Oakley Kelly, U. S. Air Service, broke all world records when they remained aloft 36 hours 5 minutes and 20 seconds in the immense transport monoplane T-2, at McCook Field, Dayton, O. They covered a distance of 2,541.2 miles.

NOTICE TO CONTRACTORS
For State Road and Bridge Construction

Sealed proposals addressed to E. L. McHugh, County Judge for the improvement of certain highways in Wilbarger County will be received at the office of E. L. McHugh at Vernon, Texas until 10 a. m. o'clock, May 25th 1923, and then publicly opened and read.

Description of Work to be Done
The proposed work consists, the grading and building of structures on 3.41 miles of state highway No. 5 through Tolbert. The estimated quantities are 17532 cubic yards earth road-way excavations; 18702 cubic yards earth borrow excavations; 2746 station yards over haul; 608 linear feet guard fence; 43.55 station clearing and grubbing; 596.1 cubic yards structural excavations; 411.79 cubic yards class A concrete; 37382 pounds reinforcing steel; 200 linear feet Type B concrete bridge railing.

Proposals for grading and structures may be submitted together or separate.

Detailed plans and specification of the work may be seen for examination and information be obtained at the office of John D. Nabors, County Engineer at Vernon, Texas, and at the office of the state highway department state office building, Austin, Texas.

A certified or cashiers check for \$1,000.00 One thousand dollars, made payable without recourse to order of E. L. McHugh, County Judge of Wilbarger County, must accompany each proposal, as a guarantee that the bidder, if successful, will enter into contract and make bond in accordance with requirements of the specifications. The rights reserved by the party of the first part to reject any and all proposals or to waive all technicalities.

Proposals shall be submitted in sealed envelopes and marked bids for the construction of state aid project No. 335 in Wilbarger County.

All bids received will be retained by the department and will not be returned to the bidder.

E. L. McHugh, County Judge.

Mrs. Tommy Courtney and Mrs. M. L. Sanderson of Electra visited relatives in Vernon yesterday.

STOCK LAW SALE

By virtue of an assessment and award of damages and fees, duly filed in the office of the Justice of the Peace for Precinct No. One of Wilbarger County, Texas, I will proceed and sell, as under execution, between the hours of 10 o'clock a. m. and 3 o'clock p. m., on the 4th Saturday in May A. D. 1923, it being the 26th day of said month, at Court House in Vernon in said county, the following described impounded stock, viz: One black mare 14 or 15 hands high, 9 or 10 years old, star in forehead, white snip on nose, to be sold under the provisions of the stock law of the State of Texas, to satisfy such assessment and award, and the costs and expenses hereof. This 9th day of May A. D. 1923.

SPLENDID LIST OF BOOKS FOR BOYS HAS BEEN RECEIVED BY MISS NEWTON AND PLACED ON LIBRARY SHELVES HERE

Miss Lillian Newton, librarian, is making a special effort to get boys to read more good books and to this end she has just received a large number of books for boys which have been highly recommended by the American Library Association.

In writing of the splendid opportunities offered in reading, Miss Newton quoted the following from William Heyliger:

"Some where in the world and not very far off, there are stories and articles that will mean to you all the difference between success and failure. Jim Page read a book on South American travel and became the head of one of the biggest exporting houses in the country. Jack London sat down to read what some one had said about a picture of oyster pirates and became one of the best known writers of the day. Robt. E. Peary explored a basement book shop and found the North Pole.

"It is a great record so far. What are you going to add? The answer lies in what you read."

The following new books for boys are now on the shelves at the library:

"Adventures of Tom Sawyer," by Twain.
"Alaska Man's Luck," by Rutzbeck.
"At Home in the Water," by Corgan.
"Barnaby Lee," by Bennett.

"Black Arrow," by Stevenson.
"Black Buccaneer," by Mender.
"Boy Emigrants," by Brooks.
"Boys' Book of Mounted Police," by Crump.

"Boys' book of Sports," by Ross.
"The Frozen Barrier," by Browne.
"High Adventure," by Hall.
"High Benton," by Heyliger.
"Jungle Book," by Kipling.
"The Mark of the Knife," by Ernest.
"Men of Iron," by Pyle.
"Merry Adventures of Robin Hood," by Pyle.

"The Talisman," by Scott.
"The Three Musketeers," by Dumas.
"Twenty Thousand Leagues Under the Sea," by Verne.

RUTH WILL PROSECUTE ACCUSER.

Babe & Mrs. Ruth. Dolores Dixon

When Dolores Dixon, a pretty New York girl, entered snit for \$50,000, alleging Babe Ruth, home-run king of the New York Yankees, was the father of her child, she was the victim of blackmail. When the suit was about to come to trial Ruth's attorney learned that a man who had formerly lived in an apartment where the girl had a room could bare the blackmail plot. When the attorney got an order from the Court to examine the man before the trial the girl hastily withdrew her suit. Ruth has placed the matter in the hands of the District Attorney of New York, asking prosecution of all

piece suit of gray and blue with accessories to harmonize. Soon after the ceremony the couple departed for Cordell, Okla., where they will visit the bride's mother.

Mrs. Parsley is the daughter of Mrs. J. C. Morrison of Cordell, Okla., who with her family lived here for several years. Since the departure of Mrs. Morrison for her home in Oklahoma, the bride has been making her home with Mrs. H. W. Norwood. She is a graduate of the Vernon High school and for some years has been in the employ of the local telephone company.

"SNUB" POLLARD IN TROUBLE AT VERNON

COMEDY KING GETS HIS WHEN
HE PLAYS PART OF RENT
COLLECTOR

"I knew I'd get in trouble if I'd play the part of a rent collector," declared "Snub" Pollard after the completion of his latest two-reel Pathé comedy, "Big Up," which will be seen next week at the Vernon Theatre.

"I hate any kind of a collector," he continued, "and I don't want to even be one on the screen. The worst blow of it though, was when they had Charles Stevenson play the tough party in the comedy. I had the fun of watching Charlie beat up Harold Lloyd and knock him all over the lot when 'Grandma's boy' was being produced, but I never hoped for such a fate myself."

"A rent collector—in a screen comedy—is all right if he has the Army and Navy to back him up, but if he hasn't he's lost. I knew I was going to get mine—and I did. And now every time I enter the studio or walk across the lot I get hissed at by the company. 'Sssssss! Rent collector! Jibe. And, darn it, it's getting tiresome.'"

Perhaps there is something in the complaint that "Snub" endeavors to register. Anyway, in the comedy Charles Stevenson certainly gives him plenty of good wallpans. But then, "Snub" wins the girl in the end, and seeing that it is Marie Mosquini, he surely ought to be happy.

VERNON HIGH GETS REVENGE ON CHILLI

HOME GUARD ROMPS ON VISITORS AT FAIR GROUNDS
WEDNESDAY AFTERNOON

Vernon High got revenge with a capital "R" when it met the Chillicothe High Baseball Team on the local diamond Wednesday afternoon. The boys from up the road used everything they had to stay the onslaught of Vivian Smith's warriors but all they were able to save was the small end of a 19 to 4 score.

Walker, Vernon's all round athlete, pitching for the home guard, made a perfect 1000 batting in addition to introducing nine of the visitors to the windy route. Walker was up five times and got hit once, which sent him to first, then he got to first on four balls and the other three times he got perfectly good hits.

Williams and Parr both batted 500. Parr got two three baggers and one two bagger out of six times up while Williams slammed out one three, one two and one safety.

The Chillicothe boys received a terrible jolt in the first inning when Vernon brought in three runs. Thereafter the locals scored during almost every inning.

Chillicothe used three pitchers and all three of them combined struck out eight men. The Chillicothe boys got seven hits off of Walker while the locals gathered in 14.

Highway Official in Vernon Enroute West On Re-mapping Trip

John C. Wells, field director for the Colorado-Gulf Highway, was in Vernon yesterday en route from Brownsville to Colorado in his work of re-mapping the highway. He expects to have entirely new maps out before the tourists season opens.

Mr. Wells said some important changes are being made in the maps. These changes include taking from the map names of towns that do not have filling stations and listing the various points of interest in towns through which the highway passes.

Mr. Wells said he is confident that within another year people can go from Vernon to Brownsville without slowing up their cars, as all but a few miles of road between have been built or are contracted to build.

THE LAW ENFORCEMENT PROGRAM

Governor Neff has again met with defeat in getting his law enforcement program enacted into law, but this should not be interpreted as a lack of sympathy with the Governor's purposes on the part of the members of the Legislature.

The people are slow to surrender to the State authority such absolute power in the removal of local peace officers as was sought by the Governor.

Law enforcement if it is ever to come must come from the people, acting through their local authorities. Laws can't be enforced satisfactorily or even adequately by State authority.

Incompetent peace officers are merely the outward manifestation of popular opinion. This does not mean that the people are favorable to lawlessness but it is an unmistakable indication of popular indifference.

Still another factor in the failure of Mr. Neff's program may be attributed to the well defined opinion that he is more concerned about the enforcement of the prohibition laws than he is any other group of laws. His speeches have clearly indicated the trend of his mind in that direction.

No good citizen will quarrel with Governor Neff in his desire to have the prohibition laws enforced. But lawlessness manifests itself in far more dangerous ways than in violations of the prohibition laws. America is the most murderous civilized nation on earth. Texas is one of the most murderous states in the Union. Murder is a rather safe occupation in Texas, but these considerations do not seem to bestir the Governor nearly so much as the fact that people still make, sell, buy and consume intoxicating liquors in violation of the law.

As between bootlegging and murder none can deny that the latter is a far more heinous crime than the former. Selling liquor is a crime—only because the statutes have declared it so, while murder is a crime per se. It would be a crime if there were no statutes dealing with it.

The defeat of Mr. Neff's program is not a victory for lawlessness. It only means that the members of the Legislature differed with him as to the proper method of dealing with a bad condition. His zeal is commendable, but the wisdom of his particular program is extremely doubtful, and there should be no alarm felt over the action of the Legislature. The best way to enforce the law is for good citizens and men of the Legislature to

zens to serve on juries and convict for the full limit of the law where the evidence justifies. A few legal hangings will do more for law enforcement in Texas than all the statutes the Legislature can pass between now and the Millennium. That's a fact.

The Amarillo trade excursion will include Vernon in the list of towns to be visited this year. Amarillo is a fast growing jobbing center, just as accessible to the manufacturing centers as either Fort Worth or Dallas and there should be ample opportunity for extending the radius of the Amarillo trade territory so as to include Vernon. Then another thing, we need to get better acquainted with our western neighbors. Vernon has more in common with towns to the west of us than she has with towns east of Wichita Falls. The visit of the Amarillo trade trippers to Vernon ought to prove profitable to both visitors and hosts.

Vernon continues to build new business houses, new homes and new churches. This is an eloquent testimonial of the solid foundation on which this city is built—that of diversified farming. Nothing can quite take the place of this industry. Oil wells are fine and produce a great deal of wealth in a remarkably short time, but we must not forget that in the last analysis Vernon's future depends upon the continued development of the farming resources of Wilbarger County. In the past few months Childress has shipped out more than a quarter of a million dollars' worth of fine stock, poultry and dairy products. Childress County as a whole is not so productive as Wilbarger County, but we have allowed our western neighbor to forge ahead of us in live stock and poultry raising. Wilbarger County should be one of the wealthiest counties in Texas.

THE END OF THE WAR

By Phoebe K. Warner.

So long as "might makes right" men are going to fight. This is the final conclusion of the Motherhood of the World. But who ultimately pays the bill? "In Flanders fields the poppies blow, between the crosses row on row, but every cross means a soldier sleeping amid the poppies." His last battle fought, his life work done, his victory won. His heart aches ended. But every cross means more. It means a broken home. A heart ache somewhere that will never be eased until death brings relief. Oh! the agony of the heart of the mother whose son is sleeping in Flanders fields and even the greater agony in the heart of the mother who knows not where her boy is sleeping or when or how he fell and suffered and died.

Who pays the bill for war, after all? The soldier who falls in action and whose suffering is soon smoothed in the sleep of death? The government that exacts the price in dollars and cents from the people? Or the soldier who returns to civil life again to find his health, his position or his friends gone, and the mother who gave her son to die for his country while she suffers on to the end of life without him? Who really pays the bill in love and suffering and sacrifice? There is but one answer to all these questions and that answer is "woman!" Women pay the final war debt in the most heart rending way.

For five years now the men of all nations have been trying to find a way to put an end to war. But men have so many interests to consider. And men are so accustomed to fighting for peace it seems hard to be human. There are so many conflicting claims between the nations. But these do not mean so much in the minds of the mothers of the world. They are thinking more in terms of human values, human suffering and human sacrifices.

The women of the world have about concluded if peace ever comes on earth and if wars ever end this great change will have to come naturally as other great changes have come in the human family. And that is by the women of the world coming together and devising ways to rear a generation of men throughout the world who want peace, who believe in peace and who will use their hearts and brains to bring peace on earth, good will to all men.

It is to this end that a representative group of women from all nations met in Washington, April 30 to May 10 to study the conditions of women and men in the world and to

world. The name of this new World Movement is the Woman's Universal Alliance. It was organized in Washington, D. C., U. S. A., in April, 1922. Its purpose is to serve humanity in the highest sense and to memorialize service. To foster a spirit of good understanding and fraternity amongst the peoples of all nations to the end that WAR MAY BE NO MORE. To coordinate the efforts of all women and all organizations of women of the world in welfare work. And to establish bureaus of national and international information for the dissemination of knowledge of such work for the benefit of mankind. To establish and maintain at Washington an Aerodrome to Womanhood of all lands as the first memorial in the world to the efforts and service of women in the achievements of civilization. To encourage the work of character education and development of children and young people of various nations in order that a better and more enlightened citizenship may be established in all nations.

The history of every country and every state in the United States is rich in the noble deeds of its great patriotic and constructive women.

These women were the torch bearers of civilization. The World's Universal Alliance proposes to honor these great women as a duty to the past and an incentive to the present and future. To this end each State in the Union will be requested to select the names of twenty-five women not living whose life and work have meant the most to their State and present these names to the National Historical Research Committee who will be the final judges for the best list submitted.

It is this work of selecting the names of the greatest women of the past in your State that we wish the women of Texas, New Mexico and Oklahoma to be thinking about. Take up the discussion in your home, at school, at your club. What could make a more interesting study than the study of our own great women?

SECRETARY HANEY WANTS ALL ROTARIANS PRESENT TUESDAY

Ep M. Haney, secretary of the Vernon Rotary club has requested that every member of the local club be present at the meeting Tuesday if possible, as plans will be made for going to Childress the next day to put on a program for the club there. The Childress club came here last week and put on a special program and the local club is going to make a return visit.

Work Starts Monday

Members of the First Presbyterian church will worship Sunday evening for the last time in the present edifice. Work will start next week tearing down the old building to make way for the modern new structure.

The women of the Oklahoma Home and school club will hold a market at the City Meat Market in Vernon tomorrow. Dressed chickens, cakes, pies and jellies will be sold.

Anything in Your Eye?

Many people who come to us for eye examination imagine there is some foreign substance in their eyes.

It is hard to convince them, sometimes, that these gritty, sandy, scratching, irritating conditions are symptoms and effects due to refractory errors which usually can be corrected by the wearing of properly fitted glasses.

Let us take the "grit" out of your eyes.

E. M. LEUTWYLER

Optician—

Friendly Little Bees Make Social Call on Vernon Express Driver

A swarm of bees played a social call on Nappy Baird, driver for the Express company, one day this week when they were being transported from the railroad station to the Express office. When the bees called they sat down rather unceremoniously, according to those who witnessed the little social gathering, and all left their cards.

Not being entirely familiar with bees and their habits, Baird, when he received the shipment to be transported to the local office was a little careless with Bee etiquette and evidently offended the creatures. No sooner had he loaded them onto the truck and started on his journey across town when several of the friendly little beasts found an opening from their hive and proceeded to make their presence known by making a bee line—bee line is right—for Baird's exposed neck. One of them sat down and Baird raised up. Another one sat down and Baird raised higher.

From the time the second bee put in his call until the truck was signed after Baird sent up the white flag; the bees won every inch of ground and hoisted their colors all over Baird's face and neck. After the truck was signed Baird finally succeeded in stopping up the bung hole in the hive and making the remainder of the journey prisoners for the remainder of their journey. Bees will be bees.

CHOICENESS

is the quality that permeates every piece of meat or provisions sold at this market. With us quality comes first of all. That makes it easy for all to select meats here. There's no possibility of getting poor quality for we don't handle it. And our prices prove that we have very moderate ideas as to profits.

Clear Thinking and Logical Reasoning Are Possible Only When the Cards Are On the Table

Do You Know Where You Stand Financially?

Do you know your present worth in cash and credit? Do you need more property or do you need to sell some property? Do you need information on investments?

The progressive men—the prosperous man—becomes so by carefully analyzing any given proposition. He is able to reason logically because he puts his cards on the table and studies them, at the same time utilizing all the information and practical assistance at his command.

With the table between us, the cards on the table and our attention on the cards we honestly believe we may be of mutual assistance to each other in our respective games of life.

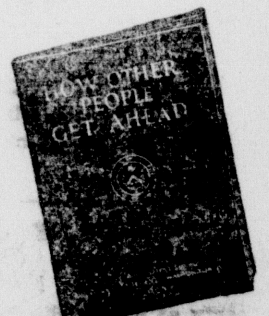

Ours is always a square game and we'd like to have you with us.

Missouri Town Prefers a High School Over a Light Plant

Voters of Brookfield reject \$95,000 bond issue 1,044 to 250 because satisfactory service was rendered by light company and because of need of new high school buildings.

Here's the Story as Told by the Brookfield Daily Argus

THE AFTERMATH

And the next day it was all over.

The special election yesterday, called by Mayor White and the City Council for the purpose of bonding the city for \$95,000 for building a municipal light plant, was snowed under on the last day of April.

The blizzard was general over the city as will be observed by the figures below.

The vote by wards was as follows:

FIRST WARD—25 for; 306 against.

SECOND WARD—69 for; 382 against.

THIRD WARD—95 for; 225 against.

FOURTH WARD—61 for; 131 against.

The total vote on the proposition was 250 for, 1,044 against.

IT IS ESTIMATED BY THE JUDGES THAT MORE WOMEN THAN MEN VOTED AGAINST THE ISSUE. THIS IS PROBABLY BECAUSE THE WOMEN, ESPECIALLY THE MOTHERS, REALIZE THE DIRE NEED OF NEW AND MORE MODERN SCHOOLS FOR BROOKFIELD, and feel when the city is further indebted it should be upon that issue, and not upon an experiment.

The North Missouri Power Company is to be congratulated for the victory and they will now go ahead with the contemplated improvements at the local plant.

This is what happened after it was shown that it would COST TWICE AS MUCH to operate a municipally owned plant as it would cost to buy electricity for pumping water and lighting streets from the private company.

Here's What Brookfield Citizens Had to Say About the Bond Issue for a Light Plant:

J. F. Walker—"The proposition has no chance to carry. It is not practical and the votes will show that it is not, at the polls."

R. N. Bowden—"If further indebtedness is to be carried by the city it should be for new school buildings and not for competition against an established business."

J. H. Fuoss—"The burden now carried by the taxpayers is sufficient without an added burden from an experiment."

H. J. West—"The city should become relieved of its present burden before assuming others."

Dr. S. T. Brownfield—"Taxes at present are sufficient without additional ones for something we already possess."

D. B. Rogers—"You cannot make my remarks too emphatic as against the issue. When we have modern schools and good paving is time to take up the light issue."

Mrs. J. B. Patrick—"Give us new school buildings and thus make Brookfield attractive to those seeking homes. The present light plant is

perfectly satisfactory and adequate."

Thomas Moore—"The proposition looks impractical to me. Let us rather vote for new schools. They are the proposition that need additional light."

E. A. Tooley—"Mark me down as being opposed to bonding for an experiment when there are things the city needs much worse. Being a taxpayer I want to be satisfied in my own mind that I am bettering Brookfield."

Mrs. C. L. Thomas—"I am for Brookfield first, last and always and know of no better way I can serve its interest than casting a vote against the bond issue. Our crying need of new and modern schools will find me an enthusiastic supporter for the cause."

C. E. Lowe—"My vote will be registered against the bond issue. Were the proposition reasonable and practical I would be for it but it is built on a foundation of sand and has no chance. My increase in taxes by my vote will be for new schools."

Which Shall It Be in Vernon--a Municipal Light Plant or High School Building?

ROBIN HOOD HERE THROUGH SATURDAY

SUCCESS OF FILM CAUSES MANAGEMENT TO KEEP IT FOR RECORD RUN

So successful has been the four day run of Robin Hood at the Pictorium here that the management has decided to run the film today and tomorrow. While a majority of the people in Vernon are said to have witnessed the entire unusual production, there are many people from the rural districts and from the nearby towns who have not seen it.

Robin Hood is making a record run for Vernon. It has been mighty seldom in the past that a picture has lasted even four days so the weeks run of the famous film will make a record all its own.

Comments on Robin Hood have been spontaneous and numerous. Scores of people who have seen the film have stopped at the box office to say it was the best film they have ever seen. Some who saw the world famous "Birth of a Nation" declared Robin Hood to be fully as good. The orchestra that is accompanying the film is rendering splendid music which was written for the play.

ELRENO

By special correspondence.

Miss Alice McFarland who has been spending the week with her sister, Mrs. C. D. Walls has returned to her home at Electra.

Mr. and Mrs. J. Recks and F. Johnson were in Vernon Thursday on business.

C. Boger, Jr.; Della, Ida Mand Lutz; Dinwiddie, Chester Robinson; Mr. Stem, Harlow Rouse.

The curtain will be at 8:30 o'clock sharp.

CLINT SWARTWOOD OPENS UP WINDMILL AND PUMP BUSINESS

Clint F. Swartwood has opened up a windmill, pump, pipe and pipe fitting business in the Swartwood building on West Olive street. Until recently he was associated with Swartwood and Company in the hardware business and when that company was sold he decided to go into business for himself.

Mr. Swartwood has been raised in Vernon and has been in the hardware business practically all of his business career.

Mrs. Johnson Ill

Mrs. Cecil Storey left yesterday for Dallas where she was called on account of illness of Mr. Storey's grandmother, Mrs. J. R. Johnson.

Mr. Storey has arrived in Dallas from Austin and John A. Storey, who has been in Childress on business, has also gone to be with his grandmother.

MRS. HOLLAR REPORTS ON SUCCESS OF P. T. A. SALE

Mrs. L. A. Hollar, president of the Shive School Parent Teacher Association, writing from Denison where she recently went to be at the bedside of her daughter, Mrs. Stagner, has written that the recent lunch sales at the school were entirely successful and that she desires to thank all those who helped. Enough money was raised, Mrs. Hollar said, to pay off all debts and have \$20 over in the treasury for next year's operations. She said the women all worked together as one and it was the united work that made the sale a success.

Sunday School Attendance

Attendance at the various Sunday Schools in Vernon last Sunday was as follows: Methodist 487; Baptist 415; Church of Christ 176; Central Christian 150; Presbyterian 129. Total of attendance 1357.

Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

CARDUI

The Woman's Tonic

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that... when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.

At all druggists' and dealers'. E 67

Mr. and Mrs. W. J. Stuckler, Mrs. C. W. Andrews, B. M. Johnson and J. V. King motored to Wichita Falls Thursday evening to attend a dinner given to the Express Company employees.

THE STUDEBAKER LIGHT-SIX SEDAN \$1550

Studebaker

—But You Can't Ride on the Paint!

Imitation diamonds can be made to look so real and sparkle so brightly that it is difficult to tell them from the genuine.

But try to sell one and you will find out its real worth in a flash.

Same with automobiles. Weaknesses of construction in a closed car can be hidden, for a time, with paint and varnish and fancy fittings. But all is not quality that glitters.

You can't ride on the paint. And when you place such a car in the second hand market, you suffer a heavy depreciation because it lacked real intrinsic value at the outset. Use will never improve a mediocre product.

The second hand floor is the melting pot for automobile values. Cars are stripped of artificial values and only inherent worth counts.

Motor car owners tell us that the trade-in value of any Studebaker car at the end of three or four or five years of useful life is greater than on any other car built today—the percentage of depreciation is the lowest.

No wonder the Studebaker Light-Six Sedan is the fastest selling quality Sedan in the world!

The name Studebaker stands for quality, durability, comfort and integrity.

Four wide-opening doors. Eight-plush upholstery. Glare-proof day clock. Quick-action cowl ventilator. Attractive coach lamps. Heater. Mohair velvet visor and windshield cleaner. Dome light. Thief-proof transmission lock.
